4-6p You know that there are rules about the safety of the users while online but you don't bother yourself with using them because you think that nothing bad can happen to you. It usually happens to others...so, you keep posting things that you shouldn't. Please don't play with your safety!

## IRINA RIMES

Irina Rimes was born in the Moldavian Soviet Socialist Republic but she is living in Bucharest at the moment. She is a well-known singer and songwriter in Romania. Her stage name is Irra. In 2018 she was invited to join the team of the TV show *Vocea României*. She is still part of the jury and works with the contestants.

Some of Irina's best known songs are: *The Dreams* (2016), *I Loved You* (2016), *Stay with me* (2017), *You don't know how to be a man* (2018) and *Poem* (2019). Most of her fans are young people who like pop music.

In 2017 Irina received an award for the best debut of the year at the Radio Romania Music Awards. In 2019 she was declared the Artist of the Year in her country.

Her last achievement is her book-album *Cosmos* about which she says:

“Am vrut să lansez o carte-album pentru că am aceste poezii și nu știam ce să fac cu ele. Eu nu sunt poet, nici scriitoare. Eu sunt ceva simplu, nimic special. Cred că dacă fiecare femeie ar avea curajul să scrie ce simte, ar scoate câte o carte după fiecare iubire. Și poate și bărbații la fel .

Cosmosul meu nu este nici întunecat și nici rece. Cosmosul meu nu este neant, este un joc de culori al dragostei de femeie pentru bărbat, muzică și viață. Am scris acest album ca să vă prezint toate fețele mele, cele frumoase și cele urâte, să gustati din fiecare și să alegeți ce vă place, ce găsiți pe gustul vostru.

Poeziile din carte sunt inspirate din viața personală. Iubiri, experiențe. Din tot ce am trăit. Am scris efectiv ce am simțit într-un moment anume al vieții mele. Asta este ceea ce fac eu, este pasiunea mea, dar și profesia pe care mi-o exercit. Este ceea ce scot din mine, dacă asta mă face artist, atunci e bine. Dar, în viziunea mea, încă nu e suficient”

## **"I LOVED YOU" – ACTIVITIES**

Let go of me, I'm better on my own  
This isn't me, this isn't me anymore  
Let me be free 'cause this isn't me  
Doesn't feel like me

I didn't want, I never meant to  
So accidentally to fall in love with you  
I didn't want, I never meant to  
I never meant to  
I'm looking for results  
Searching for a hope  
'Cause when you pick me out to  
Ghost that door  
I am looking for a heart to love me more

Just like I loved you- x3

My heart was a fire, your heart was a stone  
I loved you so right, but you loved me so wrong.

Just like I loved you x3

You didn't see, you didn't feel my pain  
You left me here by my self again  
Did you ever love me?  
Oh, I was just a game to you  
Was just a game to you

I didn't want, I never meant to  
I lost my self in this  
I sold my soul to you  
I didn't want, I never...

Questionnaire:

0 – 7 You say you know your worth, but you probably don't. You could do so much better, but you care too much about the appearances and you like posing as the bad guy/gal. You try giving yourself a push in the right direction. You might like what you'll find after all.

8 – 14 There's a lot of potential in you but you only work at the half of it. You like laying low and pretending that you're not interested in finding out more. You need to step up and improve your working skills. You can do it!

15 – 20 You strive to do your best and put your soul in it. You care for the others and you don't want to disappoint those who believe in you, but most importantly, you believe in yourself and know that, at the end of the day, what matters is that you are better today than yesterday. Keep up the good work!
